

COVID GUIDELINES

Updated: July 28, 2022

- If an individual tests positive for Covid, they are asked to quarantine for five days.
 - They may return to in person instruction on day six if their symptoms are improving.
 - They are asked to wear a mask for days six through ten.
- If an individual is identified as a close contact of a person who tests positive, they are asked to wear a mask for ten days.
 - They may continue to participate in in-person learning.
 - They should monitor for symptoms.
